Dear Tim:

What a nice surprise to find your letter and check in the mail today. We were very happy that The Texas Chapter of the National Corvette Restorers Society decided to follow the Texas Forts Trail, which led you to Fort Chadbourne. We enjoyed showing you around, and getting to see all the great cars. Since I have a 1968 Corvette myself, I'm sort of partial, and thoroughly enjoyed getting to see all the cars parked out front!

I most appreciate that you took the time to write us, and remember us with the \$300.00 donation. I have enclosed a donor's receipt for your records.

If ever you or your club is in our area again, please stop by for a visit. And, if we can ever help you plan an event, just give us a call. We'd be glad to have you back any time.

Thanks again for remembering Fort Chadbourne and your generous donation. When we receive an unexpected gift such as this, it makes us feel we are doing something right.

Yours truly,

Ann Pate
